JULY 2018

PRESIDENT'S REPORT

On Saturday the 16th of June eight of us made the trip to Fern Tree Falls in the Mount Buangor State Park for a photo shoot. The weather was cold but fine and we were all rugged up to fight off the cold.I think it would be about 10 years since I last visited this location and I felt like the climb to the falls was a lot harder than I remembered. Some of us stopped on the way up to photograph some of the fungi on show while others made their way straight to the top. There wasn't a lot of water going down the falls but members still managed to get some nice images. The day culminated with a late lunch at a Beaufort cafe where the general feeling was that the day was worthwhile. I always enjoy these outings as they are a great opportunity to pursue your hobby and enjoy the company of like minded friends.

We have received an email from Peter Kewley the president of the Australian Photographic Society advising us that the APSCON convention is planned to be held at Ballarat in conjunction with the Biennale in 2019. He has asked if our club would be willing to help out with some of the tasks involved in the running of this event. He has also asked if we could help them in finding some suitable locations for photo shoots. There will be more details to follow as the time gets nearer.

Stephen Moten has made the club an A frame stand which will be placed at the club room door welcoming members to the meetings and showing first time participants which door to enter by. Thanks Stephen for a job well done. Stephen has also volunteered to build a prototype stand for the displaying of our prints at annuals, inter clubs etc. If this turns out to be successful and cost effective we will look in to building several others.

I have been asking for someone to take over as our next President for some time with no response, so as a result of this I have decided to nominate for a further camera club year. Steve Demeye has also agreed to nominate for a position on the committee .Thank you Steve, your input will be most welcome.

The annuals are coming up soon so I must thank our co ordinator Kate along with her helpers for ensuring this event is successful. Please be on hand to help in any way if needed. Good luck to all those members who have participated.

Trevor Bibby President BCC. Some images from our recent outing thanks to Anne and Frank Carroll.

Anne Carroll, Trevor Bibby, Janette Richards, Steve McLaren, Carolyn Demeye, Steve Demeye, Betty Bibby enjoying a late lunch.

Dear Entrant,

It gives me great pleasure to bring the results of the 2018 Australia Cup for Australian Photographic Clubs to you. As you will see from the scores the competition was strong. The judges had a difficult task when it came time to decide on the awards as there were many very high quality images in the running.

The awards will be presented at the APS Annual Awards Dinner(at APSCON) at HOTA,135 Bundall Road, Surfers Paradise, Queensland at 7pm on 16th Sept 2018 and I hope that many of you will be there.

I know that there were some difficulties with the upload system this year but please be assured that those issues have been recorded and will be taken into consideration when the 2019 competition is being set up.

Best Wishes and Kind Regards,

Margaret O'Grady (Chairperson) Australian Cup for Australian Photographic Clubs Sub-Committee Australian Photographic Society

2018 Australian Cup for Australian Photographic Clubs

The Organizing Team: Margaret O'Grady, Paul Bennie, Noel Clark, Pia Jessen, John North and Dennis Nolan

The Judges: Greg Sullivan, Lisa Kurtz and John North

The Presentation night

will be held on **Saturday 28th July** at the **Masonic Lodge** (our Wednesday night venue). **Doors open at 6:15.**

I have booked "Fabulous Feast" spit roast caterers. The menu looks delicious and their prices are very reasonable.

For **\$28 per head,** we get a **two course meal** - roast meat, salad & veg, as well as a choice of delicious desserts! You can pay on the night.

There is a minimum number of 30 guests, so I encourage you to participate in the fabulous smorgasbord.

Please let me know via return email of your participation in dinner. Numbers will need to be <u>finalised Saturday, 21st of July</u>, so please book your meal on or before this date.

Family and friends are welcome to join us for dinner and presentations. Please let me know if they are coming.

If you have any queries, please respond to this email.

Kate Both

SOMETHING TO CONSIDER

The Camera Club Secretary received the following letter -

Last week I sent out an email regarding our proposed September VAPS Light Painting Workshop Tour of Victoria. Of the 69 clubs that we contacted, 50% opened the email, and 20% clicked through to take a look at the proposal document for the events. I suspect there are a few emails sitting in spam folders.

I would love to make this tour a reality. Our events are universally recognised as being incredibly fun and inspiring and I would love the opportunity to bring some love, light and laughs to your club.

Leaving the concept with you for a week or so to gauge interest from your club members should be enough. It would be amazing if you could come back to me by the end of this week as to whether holding a workshop at your club is a possibility.

You can download the proposal document HERE

Workshop video HERE

I hope you have an amazing day!

Peace, Denis

July 2018 HERE IS ANOTHER INTERESTING LETTER THE CLUB RECEIVED -

Hi everyone at Ballarat Camera Club

This is a heads up message to inform you that planning is underway to hold APSCON in Ballarat in September 2019. At this stage it will be held from Wednesday 11th September through to Sunday15th September, 2019 It will be located at the Mercure Hotel in Ballarat.

We will be tying up with the Ballarat International Foto Biennale and tapping into some of their resources. A draft programme is being formulated but still needs lots of work.

Nothing is set in stone yet but the emphasis of this APSCON will be on photography and less on presentations, however there will be a number of presentations that have to be part of any APSCON.

I am actively looking for input from interested parties that might be prepared to assist, particularly in the Ballarat area, there will be a number of external workshops and I need to source suitable locations for those.

So if the Ballarat Camera Club were interested in being part of the organising committee, or assisting in any way it would be most appreciated. I will also be asking Lorraine Harvey if she wants to be involved as she was on the APSCON committee when it was last held in Ballarat.

We will have a photographic exhibition at the Mercure, apart from the AIPC prints there is no theme set yet, if BCC were interested in a mini display of your clubs work that is something that could be considered depending on final space availability.

Please have a think about the clubs involvement with APSCON and let me know if there is any interest or support possible.

Many thanks

Peter Kewley (APS)

CONGRATULATIONS

Recently one of our members, Anne Wilson won the Paula Pither-Mills Perpetual Plaque for Photography in the Country Womens Association of Victoria State Photography competition.

This trophy is awarded for the outstanding entry in the annual competition, awarded since 2010 in honour of Paula Pither-Mills AM, a former Buninyong CWA member and State President who died of ovarian cancer in 2007.

Anne is currently secretary of the Scarsdale Branch of CWA and is the first member from the Ballarat District Group to win this award.

A Little Bit of History

This article was found in 'Practical Photography (UK)' edition: 1 June 2018 page 103

What was the first photograph ever taken?

Since taking up photography recently fire become fascinated by the history of the subject. Could you tell me when the first ever photograph mas taken? Sandra Darles, Mormouthshire

Nubard sogn: The camera obscurs – a fevice that used a pinhols or simple lens to project an image – was known shown in the uniddle agos and was certainly used by a number of classical artists. Meanwhile, the light-sensitive nature of variain chemicals was needed as early an 1193, but it wasn't until 1126 or 1827 that the two processes were combined to produce what we would consider a "group-of" photography. Nicephore Nièpce is rightly viewed as

Nicéphore Niégoe is rightly viewed as the father of photography for his image tiled 'View from the Window at Le Gras', generally accepted as the oldest serviving cosmole of photography.

Nicephore made his image with a canners obscars locassing the light sector a powtre plate coated with Bitumon. Nicephere's notes are rather vague on upposing walls are equally it by satight led researchers to guess that around eight hours was seconsary. A recrustion of his experiment in recent years securally

required an exposure time several days. By 8009 Britain's Heavy Fox Talbox had maie the first photographic paper negatives and modern photography 'developed' capidy from them.

Digital's early days

The first sigital 'plotograph' was made in 1967, yy a tean led by Pussell A. Kirsch, using a whephotb drum suamer that scanred images and converted them to digital information. One of the first photographs to be scanred was a picture of Kirsch'sinflant son, Walden.

What's up with my burst rate?

i have a loon interest in sports pretagraphy and DSLR with a high burst rate. Dut Tim just not hitting this advertised speed-what gives? Adricolm Springer, Cludley

Dan say: Bunk risk, unlike Hame per second, is a measure of how many consecutivepictures your camera can take before it seves about while. Cartony a but of frames per second is langely a mechanical issue,but burst rate is technological audi ran he influenced by a number of tectors. To ophimise your camera's burst rate you should shoot in JPEG as the smaller files won't file up your camera's buffer too ryackly. You also won't that suffice to cheer quickly, so inwest in a fast house the quickly, so inwest the a fast house proceeding and make away your holdeniases kelly visuous thous these processions should are a these processions should are a these processions should are a they per cameral to built

olise reclarition you should turn off to minimise processing time. I's also pool practice to turn off my image stabilization afterts, and also set as low an ISC as ou realitically can, as high ISO afflores an uncer work rate dream
