Presidents Report

Well, we tried our best with the Geelong Interclub, but didn't quite make it. Congratulation to Jamie and Chris with their winning images, they *revealed some* good reactions from the audience. Congratulations to Geelong for their win, and thank you to Jill and Carol for their organization of the event. We had 9 members attend, and all had an enjoyable evening.

The weather over Easter has been quite good; I hope members have taken advantage of it to get plenty of good shots.

I have heard that the photo shoot at the Gardens was quite successful; thanks to Jamie and the Bibby's for organizing that for us (we were in Adelaide arranging the good Easter weather☺).

Peter

Ballarat-Geelong Interclub

On Wednesday 18th March, approximately 10 members from the Ballarat Camera Club headed down the Midland Hwy to attend a night viewing some incredible images with the hosts of our annual interclub event, the Geelong Camera Club.

After a warm welcome by the Geelong Camera Club president, the competition began. Before commencing with the viewing of the entries, the event judge, Michael Jones from Preston Photographic Club, commented that the competition was of a very high standard and that all entrants were to be commended on the standard of work submitted.

Geelong took out the print section with a score of 237 to Ballarat's 214. Chris Crossley took out first place in the Ballarat print section with Ballet Dancer Seated being awarded 15 points.

The EDPI section also went to Geelong with a total of 233 to Ballarat's 209. Jamie Walhouse took out first place in the Ballarat EDPI section with Cool Shower being awarded 13 points. Overall, Geelong were awarded 470 points to Ballarat's 423. Despite a large margin, the quality of work from both clubs was definitely the topic of conversation on the night with all members to be congratulated on the high level of work submitted. Congratulations to Chris and Jamie on your outstanding images.

Digital report

Eight members ventured out on Easter Monday night for a very informal chat about Photoshop and its layers capabilities.

Carol brought her latest photo book for us all to look at.

A general chat about the club's resizing requirements, VAPS convention and the proposed outing to Lake Gold Smith Steam Rally.

We also reviewed the images taken at the clubs off camera flash morning. Please remember to give your images to Jamie ASAP so he can pass them onto the models. EDPI sizing is fine. It is important that we live up to to our end of the bargain as the young women received no payment for their time modelling. You can give them to him at club or email him via his email address on the clubs website.

Stephen showed us his blood moon photos from Saturday night.

Betty Bibby

Workshops/Outings

Portrait Workshop

The Portrait Workshop went well with a few members attending; it was a useful workshop on blending daylight with fill-flash, thanks to Betty, Jamie and the models for the day. Don't forget those that took images of the models to pass copies of them on to Betty or Jamie.

Ed.
