PRESIDENT'S REPORT

The 47th Ballarat National Competition is fast approaching and we have had a great response with over 670 entries received so far. Liz is doing a great job co-ordinating this event and we all need to get behind her and do all we can to ensure everything runs smoothly.

Our hard working Vice President Rebecca opened a Facebook page for the club in August at www.facebook.com/ballaratcameraclub and we have been receiving entries and enquiries about the Nationals via this medium. I feel this is a positive move for the club as it is the modern method of communication. Can you please like the page and share it with anyone else keen on photography.

I would like on behalf of the club to congratulate Judy McEachern for gaining an acceptance in the monochrome digital image section at APSCON for her image entitled Tree In Snow. I would also like to congratulate Brian Hillman who obtained an acceptance at the same event in the colour digital image section for his image Tandem Flight. To have two of our members in the top 10 images in Australia in their section is a fantastic achievement.

I have been asking for someone to take over as inter club co-ordinator for some time now and am pleased to announce that one of our newest members in Geoffrey James has volunteered to take on this position. Thank you Geoff on behalf of the committee and members. The club will offer you all the help you need when settling in to this job.

Our outing to Serendip Sanctuary was postponed due to the severe weather warning posted by the weather bureau. As there were a good number of members keen to go on this outing we will re schedule it in for next year. There will be no more outings for this year as our time will be taken up with the running of the Nationals. I am planning on running a camp in April so if anyone has an idea of a good location I am open to suggestions. The end of year BBQ will be held at Peter and Liz Cock's house 19 Bowden St Wendouree on Wednesday December the 14th commencing at 6pm, BYO everything.

The start of year BBQ will be held at Trevor and Betty Bibby's house 9 Handford Court Invermay on Wednesday the 25th of January 2017 commencing at 6pm. BYO everything. This is the closing date for the February competition.

At the February meeting we have a special guest speaker Peter Dunphy. Peter has received multiple national and international awards and commendations for his photography over the past three decades. You can view his work at www.greatphotographyadventures.com Following Peter's presentation we will have a club member judging the monthly competition.

As this will most likely be my last report for this year I would like to wish all members the very best for the Festive season and I look forward to a very busy and productive 2017 Camera club year.

Trevor Bibby.
