# Presidents Report

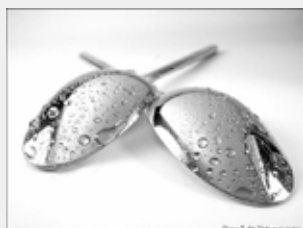

Mark Bevelander | President Ballarat Camera Club Inc.

2 Luckily, in these Covid times, we have been able to go out into the nearby forests to look for fungi or good sunsets and/or sunrises. The image above shows a beautiful blue fungi described as a “**pixie parasol**” Our club event earlier in June was a great success with quite a variety of fungi snapped (see below).

It is still uncertain as to when we can meet together as a club. The venue where we meet, is scheduled to open from **August 1** but with no access to kitchen and rules of distance imposed we will need to wait until more information is available. In the meantime we will continue as we have.

The next EDPI Monthly Club Competition is **Found In the Kitchen**. The closing date for uploading of images is Friday July 10.

There were some fantastic images presented last month, particularly in some of the starshots. Some of the most memorable are shown on Page 3.

Our next excursion will be to look over the grand vista of Ballarat City from the **new Lookout** in the Woowookarung Forest Reserve. The aim is to get a nice sunset shot, consequently we will meet at the corner of Elsworth St East and Joseph St at 4.45 pm (sunset will be at 5.23 pm).

Come and join us on **Saturday 11 July, 4.45 pm**. Bring along your tripod. We will not cancel whatever the weather as you never know how things turn out. Wear warm clothing!

# Some highlights of June Club Competition

## La Gerche Fungi Hunt - Creswick 13 June

# Syllabus 2020 -2021

The 2020-2021 Syllabus for monthly competitions and Interclubs is now available for downloading via the club website at:

<https://www.ballaratcameraclub.org.au/information/syllabus>

Start planning now for fascinating themes such as: "Suspended in motion", "Intentional camera movement", "Found in the shed."

## Syllabus Companion

### August Found in the Kitchen

**Definition:**

An image of an item or items typically found in a kitchen.  
Creativity will be well received.

**Additional Information:**

### September Intentional Camera Movement

**Definition:**

An image that has been taken at slow shutter speed with the camera being intentionally moved to create an abstract motion blur effect.

**Additional Information:**

All elements of the image should be equally blurred and the effect should be achieved in camera. The image may have abstract qualities.

### October Environmental Portrait

**Definition:**

A person or group captured in their usual work or recreational environment.

**Additional Information:**

There must be elements of the usual work or recreational environment within the image. Individual interpretations are encouraged.

## Judge: Mark Bevelander and Betty Bibby

### June 2020 Competition Judging Sheet 2020
